Summary

I enrolled at UMASS Lowell to study Computer Science. I have experience with C/C++, Java, HTML, CSS, Python, and JavaScript. In JAVA, I used the Unified Modeling Language, as known as the UML diagram, to create member variables, and methods within a class and instantiate into objects. In C++ I used the Simple and Fast Multimedia Library to create program animations in a window screen.

Experience

Machine Operator

MilliporeSigma

Jun 2022 - Present (1 year 10 months)

Cell Coordinator

Automatic Port Bonder

Manual Port Bonder

Leak (Integrity) Testing
