# Ronney Sanchez

Machine Operator at MilliporeSigma

Lawrence, Massachusetts, United States

## Summary

I enrolled at UMASS Lowell to study Computer Science. I have
experience with C/C++, Java, HTML, CSS, Python, and JavaScript.
In JAVA, I used the Unified Modeling Language, as known as the
UML diagram, to create member variables, and methods within a
class and instantiate into objects. In C++ I used the Simple and
Fast Multimedia Library to create program animations in a window
screen.
